St. Ann's Altar Society News

We want our parish families to be aware that we have a Prayer Shawl Committee: These Prayer Shawls are gifted to members of our parish family who are experiencing life-altering events such as a severe illness/disease, death in the family etc. Prayer blankets are available for the men and children of our parish. The purpose here is to wrap the members of our parish family in the love of God and let them know that the church is praying for them in their time of need. Contact Charlene Hruby (402-984-3327) or Chris Quist (402-845-2707) with your request.

Thank you!

St. Ann's is in need of CCD Teachers/Helpers.

Please prayerfully consider using your talents in this way. Contact Pat O'Donnell at 402-705-0180 if you are able to help.

Walking with Mom's: For those who are not aware, the USCCB has a 'Walking With Mom's in Need' Program which most diocese across the country are implementing. The objective is for each parish to assist 'Mother's in Need'. First and foremost, is the objective that each parishioner is aware of services available in their area so they will be able to direct anyone in need to the available services. Bishop Conley and Bishop Hanefeldt are both encouraging active participation in this program. The July 8th issue of the Southern Nebraska Register has several good articles about this program and some great information to know. A bulletin insert also gives great information about the program.

Last, prayerfully consider being a committee member for this WWMIN program.

It is up to the individual parishes on how involved, what if any parish programs they want to offer, etc... Also, the committee meetings can be kept short and sporadic. Some meetings could even be held by zoom if that is what committee members want. Also, it is not necessary that the Pro-Life Co-Ordinator for the Parish (that's me) be the chairperson of the committee. As Pro-Life Administrator for the Diocese of Grand Island I do have access and knowledge of the program and materials but I can also just share that information with the committee. I do plan to be actively involved in the committee but if anyone

is at all interested in being chairperson PLEASE feel free to share that at the first meeting or call me at 402.984.8434. More information on date and time of first Committee Meeting forthcoming.
