"Vulnerable: The Euthanasia Deception" is a documentary and educational initiative which exposes what euthanasia laws can do to a country's culture in a mere 15 years. The case study is Belgium: euthanasia's 'ground zero'. Heart-wrenching testimonies along with medical, legal and expert analysis reveal the sad truth about euthanasia and assisted dying: all of us become vulnerable when life and death matters are handed over to lawmakers and doctors."

The Pro Life message is very personal for Ann and Matt Rief who have been married for 21 years. They are blessed to be parenting two adopted boys, Gabe (12) and Jacob (11) and have served as licensed foster parents for eight years. They are actively involved in their parish community of Sts. Peter and Paul in St Paul. Matt is a civil engineer and team leader for Olsson in Grand Island. He is on the parish council, member of the Knights of Columbus, and has served as youth catechist. Ann is a middle school catechist, Pro Life coordinator, prayer chain leader, and safe environment coordinator. With the assistance of her family, she manages Prairie Knolls Vineyard located on their property south of St. Paul.
