Matrimony: A calling to forgive! "Mercy is the force that reawakens us to new life and instills in us the courage to look to the future with hope."

Retrouvaille offers a welcoming and loving space to couples who have been living with the misery of a failing marriage. Retrouvaille offers hope: hope that it is not too late, hope of a different and better marriage. Retrouvaille helps couples to show each other mercy through the opportunities it provides to listen, to forgive, to be reconciled and to move into their futures believing that God loves them and with His help and their efforts, their marriages can be healed and restored. Retrouvaille provides help for marriage problems/difficulties/crises. For more information about a Virtual Retrouvaille Weekend program. We need your input! Adams County Communities for Kids is asking individuals to complete a survey to better understand the importance of high-quality childcare and educational programs within our county. The survey should only take about 8 to 10 minutes to complete, and we encourage anyone who lives or works in Adams County, with or without young children, to complete the survey. We need and value input from across the entire county! Thank you in advance for sharing the survey and influencing others to complete the survey in October. Together we will make our community stronger!
