## LEARNING MOMENT

### Great Desires, Humility, and Peace

I assure you that it will help you more than anything else when you are forsaken, wrongly judged, calumniated, or rejected to think of His humiliations. When you are suffering under the blow of an humiliation, think of those He endured. He was not obliged to suffer them, but He knew how hard it would be for us to be humiliated, so He Himself willed to be the first to show us the way, in order to be able to say to us, "Where I have passed you can pass, too." This is all the more true because we do not walk in His footsteps, but are carried by Him.
