*“The stone the builders rejected has become the cornerstone...”*  
– Matthew 21:42 Jesus was the corner stone and He was rejected by the religious and political leaders of His day, as well as ordinary citizens. Living a stewardship lifestyle may cause you to be “rejected” by others in today's society. For example, saying grace

before a meal in a restaurant may attract some strange looks from some. But to others it is a sign that God is alive and well!
