*"...as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality." 2 CORINTHIANS 8:14*

We are responsible not only for our own lives, but for the lives of those around us. It is important that we not only grow, nurture and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the "Body of Christ". We are called to be dependent on each other and not live in isolation.
