"He instructed them to take nothing for the journey but a walking stick - no food, no sack, no money in their belts."

MARK 6:8

How different we are from the Apostles who took nothing when they ventured out to serve God. Today, we make our life's journey more difficult because of all the material baggage that we drag along. When we really put God first in everything and put money and possessions second, we experience more freedom to joyfully serve God and others.
