## **LEARNING MOMENT**

**Reasons Why We Should Have Masses Said Now For Ourselves And The Living:** The great Doctor of the Church, St. Anselm, declares that a single Mass offered for oneself during life may be worth more than a thousand celebrated for the same intention after your death. The merit of the Masses we have offered for ourselves during life will obtain for us a higher degree of glory in Heaven, since we have made the meritorious sacrifice of offering the stipend for the Mass. After death, this is impossible for us.
